
You're Invited: Colorado Corn Promotion Council Evening Event

Colorado corn producers, researchers, and community members are invited to an evening of drinks, snacks, and a research presentation followed by a reception. Come connect with fellow producers and learn about the latest CCPC-funded research.

When: August 20, 2026 | 4:00 – 6:30 PM

Where: Western Colorado Research Center: Orchard Mesa
3170 B ½ Rd, Grand Junction, CO 81503

Agenda:

4:00 PM Refreshments and snacks

4:15 PM Research presentation by Meagan Schipanski:
**Nitrogen Fertilizer Fate Under Different Nitrogen
Fertilizer Rates and Water Availabilities.**
Followed by a discussion on future research needs
for Colorado corn producers

5:00 PM Reception with local producers, researchers,
and community
